Mumbai - 400 001

Dear Sir,

Scrip Code: 540614
BSE Scrip ID: GGENG

Sub: Intimation under Regulation 30 of the SEBI (LODR) Regulations, 2015,
G G Engineering expands its product line by launching "EV Charging Station" a
product, conceptualized, designed & manufactured by GG ENGINEERING
LTD.

G G Engineering Limited with a view to increase its product line has
developed EV Charging Station from 3 KW to 22 KW. GG Engineering Ltd.
shall commence manufacturing of EV Charging Station. These Stations shall
be used to charge 2/3/4/ wheeler vehicles. The production and distribution
network will start in 3 months.

The product be completely "Made in India.

The Product will be increasing awareness and focus of Government of India as well as state
governments on use of clean energy and reducing the usage of fossil fuels in an efficient way and will
upsurge the demand of this products and the company expects to carve a niche in the segment.

Please take it on your record and oblige us.
