**Sub: Announcement under Regulation 30 of the SEBI (LODR) Regulations, 2015,**

In Continuation of our letter dated 2<sup>nd</sup> July, 2022, where the company announced to expands its product line by launching "EV Charging Station" a product, conceptualized, designed & manufactured by GG ENGINEERING LTD.

This is to inform you that, due to shortage of semi conductors and few electronics parts, which have imported from Taiwan and china, project has been delayed.

As soon as supply chain of materials stable and regular, we will start production.

Please take it on your record and oblige us.
